2. Universidad de Chile and CSU recognize the value of cooperative educational experiences that integrate theory and practice and promote campus internationalization of our respective organizations.
3. Universidad de Chile and CSU anticipate a close relationship in order to share the benefits of their respective institutional accomplishments, to discuss the frameworks of their different educational systems, and to develop future areas of cooperation.
4. Universidad de Chile and CSU may encourage their respective faculty and students to pursue collaborative research that is jointly beneficial to their professional development and will lead to increased understanding between the parties and their respective countries.
5. Universidad de Chile and CSU encourage and welcome the exchange of short-term visiting scholars. The principal purposes of any such visits are to deliver lectures and seminars, to engage in collaborative research in areas of common interest, and to explore mutual projects and the means to support them.
6. Neither party is obligated to expend any monies or other resources in connection with this IMOU. Resources for implementation of any undertaking that may result from this IMOU may come from either party, depending upon budgetary availability. No commencement of any specific projects resulting from this IMOU may be initiated prior to the written assurance of such budgetary availability to the other party. To the extent any external funding is required by CSU for any purpose and funding for such purpose is not appropriated or otherwise made available, CSU will have no further financial obligations upon such determination.
7. The implementation of any cooperative research project or of any proposed visit shall be conditional upon both the availability of sufficient funding acceptable to each of the participants and the execution of a written agreement therefore signed by authorized officials of

the participating organizations.

8. Universidad de Chile and CSU will each designate a departmental or unit home and a representative who is to be responsible for the management of this IMOU. Both parties agree to notify the other if the department/unit or representative changes in the course of the agreement, and to in turn inform their respective international and/or administrative units.

9. This IMOU takes effect when signed by authorized representatives of the participating organizations. The agreement will continue in force and effect for a period of five (5) years from such date. Renewal of the agreement may be initiated at the end of each such five (5) year period, and will require signatures by authorized officials of the participating organizations.

10. This agreement may be terminated at the request of either party by giving advance written notice of sixty (60) days.
